This Past Week Happenings:

*It was such a wonderful week with the 2nd graders. I miss them tons! Thank you so much for the beautiful birthday cards, messages and presents. So very thoughtful and generous...as always.

*We dove right into lots of learning and projects this week including nearing the end of our First Eucharist curriculum in religion class. This week our focus was on the bread and the wine changes into the body and blood of Jesus during the consecration of the Mass. When you go to Mass this weekend, perhaps you may want to give a little nudge to your child during this special time in the Mass. Attached is a note regarding how you would like your child to receive the body and blood of Jesus. Please complete and send back this note by Tuesday.
